Guests can order all drinks at the counter, with a minimum order requirement. Payment can be required of the guest or put on a prearranged tab. If you would like to limit what your guests can order, we can create a limited drink menu for your event. We can also offer certain drinks in bulk for people to serve themselves. These include drip coffee, tea, lemonade, hot cocoa, and cider.

Outside Catering

We do allow outside food to be catered in, provided they do not provide the same food offerings provided by Lucabe. For example: Pizza? Yes. Breakfast food? No. However, the use of our kitchen facilities will incur an additional fee and be approved on a case-by-case basis.

We also allow beer, wine, and/or spirits to be catered into our facility. This will require the correct licensing and permits to be demonstrated before the start of the event. We will also need a Certificate of Liability Insurance. For example, we've hosted several events with both Hog Molly and Swine & Dine.

Lucabe must make any non-alcoholic beverages except for sodas. We're happy to experiment with new drink recipes if you have something unique in mind!

As much as we love to help, we are not event coordinators or decorators. If you do not have a day of event coordinator or designated decorator for your event and you require one, we are happy to help. There will be an additional coordination fee added to your estimate, to cover the additional labor.

Decoration Restrictions:

- No tape or command strips to be used on any walls
- Any open flame candle must have a cover/protector
- Any decor, tables, chairs, supplies, etc. must be set up and removed within the
 reserved event time window; Lucabe has limited storage space available, so any
 external vendors must be arranged to pick up items after the event concludes.
- Any outside tables or chairs must have non-marring feet (i.e. rubber, felt, etc.) or guests will be responsible for damages incurred.
